

ViewSonic® N3000w LCD TV Display

30" (29.5" VIEWABLE) NEXTVISION® WIDE-SCREEN, HD¹ LCD TV

More versatile for combining entertainment and information.

ViewSonic's NextVision N3000w 30" (29.5" viewable) HD LCD TV delivers a dramatic visual entertainment experience. The ultra-thin, flat panel screen becomes the center of attention in a multitude of situations. Entice your tradeshow or boardroom audience with the dynamic design, rich, saturated colour, high-contrast images, and true 1280x768 resolution – the AMAZING SCREEN PERFORMANCE brings images alive. One of the first of its kind to offer HDCP (high-definition content protection) capability, the N3000w is sure to keep up with evolving technology ensuring longterm compatibility. Integrated connections give you the BEST HIGH-DEFINITION TV IMAGE regardless of whether you

are connected to your DVD, VCR, set-top box or camcorder. Dual TV tuners also give you full picture-in-picture (PIP) capability and great TV viewing features. Plus, you can also use the N3000w as a high-definition LCD display with stunning colour, brightness and high-contrast images.

An incredible wide-screen HD¹ LCD display.

...Experience wide-screen HDTV¹

Enjoy wide-screen and high-definition TV with true 1280x768 resolution and XtremeView® angles for a higher quality image at virtually any angle.

...Stunning TV, vivid graphics, sharp text

Ultra-high brightness of 500 nits (typ) and a high contrast ratio of 500:1 (typ) bring you rich, saturated colour images and crisp text.

...Advanced image processing

Integrated motion adaptive progressive scan, 3-D comb filter and 3:2 pull down give you a larger, clearer picture with fewer artifacts. Low level contrast enhancement brings clarity to darker images.

...Connections for all your multimedia components

Multiple inputs provide easy connection of video accessories. The integrated DVI-HDCP input gives you the best HDTV images regardless of your signal source and dual TV tuners provide you with full picture-in-picture (PIP) capability.

...High-quality stereo audio built-in

Four built-in stereo speakers deliver 20 watts of stereo sound to your multimedia presentations. Stereo connections also allow you to enjoy stereo audio through an external sound system.

...Clear, fast paced presentations

The super-fast 16ms video response time keeps your presentations and video crisp and clear.

This 56-key remote puts control in the palm of your hand.

ViewSonic®

ViewSonic® N3000w LCD TV Display

30" (29.5" VIEWABLE) NEXTVISION® WIDE-SCREEN, HD¹ LCD TV

1. One-touch buttons to control all major functions
